SCHOLARSHIP SELECTION COMMITTEE

The committee will consist of 3-5 members, all of whom must ultimately be approved by CTF. The Donor(s) or their relatives may participate in the selection committee but may not make up the majority of the committee members. Each member must sign a confidentiality agreement and conflict of interest form.

The Committee shall obtain approval from CTF prior to announcing the Scholarship awardee. CTF will verify that the selection process, the designated recipient, the criteria by which they were chosen, and the college meet the standards established by the Committee and follow the wishes of the Donor. If CTF and the Committee cannot agree upon a recipient, there will not be a scholarship awarded that year.
